-Once you have paid you will have MAWS manager or MAWS direct you to his manager's DMS for further information.
-You will be sent a form that you have to fill out
-After filling out the form you will be given two due dates.
-One of the dates is a WIP of your commission (you can ask for edits of WIP), the second one is of your finished product. (this finished product

can be asked to be edited)
-Once the commission is done we will post your commission! (please tell us beforehand if you don't want your name in the post. We do not allow private commissions!)
-It might take MAWS manager a week to schedule you a set date for both of your WIPs. Please do not be afraid to remind the manager of your commission, it may have been buried by other messages!
-MAWS often works late nights so your commission may be sent to you late in the night (1am-5am MST)
-Once it hits 6am and you have not received your commission it is now late and you will receive another date for your commission/refund.

1.2 Process

-When you are given your first WIP we will ask if there are any edits that need to be made before moving on to the finished work.
-During this interaction of the first WIP, you will be able to ask for edits 3 times.
-After the 3rd time you will have to pay a fee if you would like another edit.
-This process is the same for the 2nd update except you can only ask for edits twice.

1.3.1 Declining

-MAWS has the right to decline any commission at any point before or after it's paid for any reason without explaining why.

-Reasons why this would happen, are because you broke MAWS TOS/you are a supporter of something that MAWS does not support or would like to work with.

TAXES

-Taxes will be added to any commissions and adopt and mostly everything that MAWS sells.

MAWS HEALTH ISSUES/BRAKES

-MAWS can sometimes experience severe health issues where he is unable to finish commissions or refunds.
-Please note that this means MAWS manager is taking care of him and will probably not be online majority of MAWS episodes.
-With that being said please keep on the lookout for MAWS or MAWS managers Twitter, TH, Discord server, or Discord status.
-You may be updated by MAWS manager himself but it can be very unlikely

-MAWS manager can’t get to everyone if MAWS mental health/health issues gets out of hand
